16th October 2013

Porto Convention Bureau

On behalf of the Porto and Northern Portugal Tourism Board - Porto Convention Bureau and its Members, we are pleased to invite you to discover Porto and the North – The Essence of Portugal!

Porto and the North of Portugal has 4 World Heritage Sites by Unesco: the Historical City of Porto, the Historical City of Guimarães, the Foz Côa Art Valley and the Douro Valley.

There are a thousand years of History to recreate in the ancient cities, the busy streets, the walls of the heritage and the traditions of the people.

The commerce in the streets and galleries tremble with the vintage shops, traditional markets, gourmet specialities and urban handicraft. The gastronomy from the north is rich, healthy and exclusive and the wines of the region are unique, aromatic and surprising. We have sun, sea and river, culture and entertainment. We have festivities, life, modernity and agitation.

There is an immensity of things to do, places to see, people to meet and emotions to feel.

We receive with the nature of those who live their life with intensity!
